OF COURSE, KILLING KUKURI FOR THAT PURPOSE IS UNACCEPTABLE.

IF I FIND OWNERS SUITABLE FOR THE TSUKUMOGAMI AND INTRODUCE THEM, THAT SHOULD SETTLE EVERYTHING, I THINK.

Afterword

Greetings, long time no see. Hamada Yoshikazu here.

This volume, at long last, the oneshot from the first issue of "Monthly Action", "Kagami Kazuya's Daily Life" was included. It served to explain the worldview, setting, characters, and their relationships to new readers drawn in by the new magazine. Fitting a whole story arc into one chapter, and incorporating fanservice scenes as well, made for troublesome work this time.

I've been occasionally drawing these excursion oneshots for other magazines. They have taken 2 to 3 times as much labor compared to an ordinary instance, because of the need to work up a chapter that meets those sorts of conditions. Every time, I think "This will be the last one.", but sure enough...

Incidentally, when this one was published, I took the precaution of covering up the nipples. The nipples are revealed in the volume, so rest easy.

Now, to the main story. Sunao was appearing for the first time in a while, so I got her naked first of all. With so many action episodes lately, I haven't been able to draw nudes, so this saved me.
But it's still been a little hard to live with, I can't say I'm perfectly satisfied. Sometime I want to draw a whole chapter full of nothing but steamy fanservice scenes.

The Mayoiga group finally came and attacked Kamioka. Around here, I feel like I thought I might have wanted to do things more thoroughly. However, if you're too thorough with a monthly serialization, the story will never progress. So I tried moving it forward at once. And I was done in at once. I was thinking I wanted to draw the battle with the Mayoiga group more thoroughly, but—(omit.)

Kazuya's mother, Kanaka, ended up appearing in an unexpected form. But this is still in line with this stage of my concept. Saying that, I don't have any idea where it will go from here. I want to work hard to tie it all up neatly.

Well then, let's meet again in volume 14.
